Independent SAP S/4HANA trainer | MM and procurement

English · German (native) · Spanish | mario@mb-ics.com
mb-ics.com/trainer-profile/ | Updated 2026-11-02

Independent training for training providers and corporate teams. Practical exercises, process understanding and certification preparation. Former SAP SE Solution Sales Executive; this is sales experience, not a claim of implementation project delivery.

Training scope

MM / procurement: Requisition to invoice, sources of supply, purchasing, inventory, physical inventory and consumption-based planning. Customizing: organization, master data, valuation and account determination.

SD: The October 2026 CV describes order processing, delivery, billing, pricing and related customizing. Specific courses and depth are agreed individually.

FI integration: Accounting effects of goods movements, invoices and billing. Standalone FI delivery is subject to scope confirmation.

Question	Result	Answers
Preparation	1.07	107
Active involvement	106/106 Yes (100%)	106
Structure	1.10	107
Time to consolidate learning	104/106 Yes (98.1%)	106
Subject knowledge	1.08	107
Teaching methods	1.14	108

Preparation, structure, subject knowledge and teaching methods use grades 1-6 (1 best). Involvement and time use Yes/No. Preparation 1.07 = (100 + 12 + 3) / 107, rounded. This is not an overall trainer grade. Samples are answers, not unique people.

Survey period unknown. The source filename contains June 25, 2026; this does not establish the survey period. Original evaluation image · Full calculation and source context.

Separate operator-reported figures

Mario reports a first-attempt pass rate above 98% from his own tracking over the three years preceding his November 2, 2026 statement. Exact date boundaries, passed/attempted counts and coverage of unknown results are not available; the rate has not been independently recalculated.

Mario estimates more than 300 participants. Whether this counts distinct people or course participations remains unresolved; it is not a verified count of unique people or consultants.

Engagement details

Learning goals, version, duration, prerequisites, region, schedule and time zone are agreed for each engagement. SAP system access and software/training-material licence responsibilities must be included in that agreement.
